[project@korosten-rada.gov.ua](mailto:project@korosten-rada.gov.ua)

---

### **Project proposals and ideas for international investors and funds**

1. Construction of a regional landfill for the collection, sorting and processing of solid household waste with subsequent biogas extraction.
2. Center for Development and Mental Health.
3. Restoration of the "Shalena Panda" children's and youth space.
4. Reconstruction of the city hospital with the construction of a ward and rehabilitation department.
5. Revitalization of communal buildings to create housing for internally displaced persons.
6. Restoration and creation of "green" public spaces.
7. Organization of tourist routes.
8. Purchase of special vehicles for the needs of critical infrastructure enterprises.
9. Exchange of delegations in the field of culture, tourism and sports.
10. Creation of joint business events for local entrepreneurs to enter new markets.
11. Conducting joint exercises to share experience in the field of management, development and public involvement.
